Dear First 50 Members –

As we all know by now we are living in unprecedented times. We have heard from many members anxious to begin traveling and have our social outings again.

The health and safety of our members is forefront in our mind when making our decisions. This newsletter will share updates on where we are with each event coming up. We will continue to update our newsletter and our club members as information becomes available.

If you have paid for a trip that has been cancelled or postponed you most likely have already gotten your refund or will in the near future.

Please feel to reach out to me with any questions you may have. We look forward to the day when we can safely hold club events/trips again.

In the meantime all of us at FNB Bank are here to help you in any way we can!
